

# Oh Caroline

## Cheap Trick

Oh, Caroline  
My life shined, when you walked in  
Oh, Caroline  
My world shined, when you came in And if I go all over the world  
I wouldn't find another lover like you  
And if I knew a million girls, Caroline (Go to the end of the world)  
For your love  
(Go to the end of the world)  
For your love Oh, Caroline  
My heart climbed, when you came in  
Oh, Caroline  
Life means more, since you came in And if I go all over the world  
I wouldn't find another lover like you  
And if I knew a million girls, Caroline (Go to the end of the world)  
For your love  
(Go to the end of the world)  
For your love (Go to the end of the world)  
For your love, love, love, oh Caroline  
(Go to the end of the world)  
For your love Can you feel my heart strings, they're on fire?  
You threw it all away (Go to the end of the world)  
Oh Caroline, oh Caroline  
(Go to the end of the world)  
Love, love, love, love, Caroline (Go to the end of the world)  
Love  
(Go to the end of the world)  
For your love, love Sweet Caroline
