

# Houdini

## Foster the People

Rise above, gonna start the war!  
Oh, what you want, what you need  
What'd you come here for?  
Well, an eye for an eye and an 'f' for fight  
Taking me down as the prisoners riot Yeah yeah Got shackles on, my words are tied  
Fear can make you compromise  
With the lights turned up, it's hard to hide  
Sometimes I wanna disappear When I feel kinda bad and don't want stress  
Just pass it off on ability  
Well you got what you want, what you never knew  
Perfect gift from me to you Yeah yeah yeah Got shackles on, my words are tied  
Fear can make you compromise  
With the lights turned up, it's hard to hide  
Sometimes I wanna disappear (Raise up to your ability)  
You never knew that I could find  
What could come when we realize  
I don't want to compromise (Raise up to your ability)  
Yeah I'm scared that I'll disappear  
Running around before it corners you  
Nothing good cause my life's a wreck (Raise up to your ability)  
I know that you want to  
Throw me into the sea,  
For my abilities (Raise up to your ability)  
Yeah you're undecided  
Yeah so I could see that  
I don't wanna run away Gotta focus on your ability  
Focus on your ability  
Gotta focus on your ability  
Focus on your ability  
Gain again what they want to steal  
Gain again what they want to steal  
Gain again what they want to steal  
Gain again what they want to steal
