After All

Martin Nievera

Well, here we are again;
I guess it must be fate.
Weâ€™ve tried it on our own,
But deep inside weâ€™ve known
Weâ€™d be back to set things straight.

I still remember when
Your kiss was so brand new.
Every memory repeats,
Every step I take retreats,
Every journey always brings me back to you.

(chorus)
After All the stops and starts,
We keep coming back to these two hearts,
Two angels whoâ€™ve been rescued from the fall.
After All that weâ€™ve been through,
It all comes down to me and you.
I guess itâ€™s meant to be,
Forever you and me, After All.

When love is truly right
(This time itâ€™s truly right.)
It lives from year to year.
It changes as it goes,
Oh, and on the way it grows,
But it never disappears,

(chorus)
After All the stops and starts,
We keep coming back to these two hearts,
Two angels whoâ€™ve been rescued from the fall.
After All that weâ€™ve been through,
It all comes down to me and you.
I guess itâ€™s meant to be,
Forever you and me, After All.

Always just beyond my touch,
You know I needed you so much.

After All, what else is livinâ€™ for?

(chorus)
After All the stops and starts,
We keep coming back to these two hearts,
Two angels whoâ€™ve been rescued from the fall.
After All that weâ€™ve been through,
It all comes down to me and you.
I guess itâ€™s meant to be,
Forever you and me, After All.
