Our God Reigns

Kim Collingsworth

So much holy, so divine
Yours and so much mine
By the morning light is Thine
Perfect by designMighty to man, light of the earth
Sending His Son to echo His worth
Breaker of sin, winner of souls
Every creature will knowThat our God reigns over the heavens
Over the earth our God reigns
Praise His name all still standing
All that was, all that remains
Our God reignsIn devotion to His bride
Standing by her sideMighty to man, light of the earth
Sending His Son to echo His worth
Breaker of sin, winner of souls
Every creature will knowThat our God reigns over the heavens
Over the earth our God reigns
Praise His name all still standing
All that was, all that remains
Cause our God reignsThat our God reigns over the heavens
Over the earth our God reigns
Praise His name all still standing
All that was, all that remains
Our God reigns
All that was, all that remains
Our God reigns, our God reigns
