Everytime

Loreen

Got my keys got my coat got my shoes on
Got my phone got my bag got my nails done
You're here, you're here but I'm still alone
I say goodbye to your shadowsLike a mule you pull me to the shore
But I can't be ocean anymore
I can't, I can't but you don't know
How I feel so I gotta goAh ah
Ah ahGot my keys got my coat got my shoes on
Got my phone got my bag got my nails done
You're here, you're here but I'm still alone
I say goodbye to your shadowLike a mule you pull me to the shore
But I can't be ocean anymore
I can't, I can't but you don't know
How I feel so I gotta goOh please everytime that I say goodbye
Everytime that I say goodbye
Oh I don't like leaving
And I don't believe in
Everytime that I say goodbyeShould I leave a note this time
Or leave you hanging so I can change my mind
I get the upperhand here tonight
Want you to let go but I'm terrifiedAll the times when you knees on the hallway
All those times making please in the doorway
It hurts, it hurts but I don't know
Any other way so I gotta goAgain, everytime that I say goodbye
Everytime that I say goodbye
Oh I don't like leaving
And I don't believe in
Everytime that I say goodbyeAgain, everytime that I say goodbye
Everytime that I say goodbye
Oh I don't like leaving
And I don't believe in
Everytime that I say goodbyeEverytime that I say goodbye
Oh I don't like leaving
And I don't believe in
Everytime that I say goodbyeI don't like leaving
And I don't like leaving
I don't like leaving
