

# Silent Prayer

Trine Opsahl

Silent prayer  
I send to you my silent prayer  
Before I sleep at night  
I send to you my silent prayer  
Baby, so you'll be alright  
Every mornin' I think of you  
I just can't shake of my dreams, no no  
I read the paper and watch the news  
I don't know what it means  
When you do what you've got to do  
You must know that I'm there with you  
Every breath that I take, I hope and I pray  
Sweet, baby, baby be okay  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
I send to you my silent prayer, oh yeah  
I hold a picture of a golden sunset, yeah  
And I'll take your hand, take my hand

We're gonna walk down that promised road  
Just like we planned, just like we planned  
'Cause I know what I'm gonna do  
Just as soon as I'm back with you  
Every breath that I take, I hope and I pray  
Sweet baby, baby be okay  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
I send to you my silent prayer  
I send to you my silent prayer  
I send to you my silent prayer, oh yeah  
I send to you my silent prayer, every hour  
My silent prayer  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
Silent prayer, silent prayer  
I send to you my silent prayer, silent prayer
