

# Oh My God!

## HEADSTONES

O my God I'm gonna die  
I'm not scared I'll tell you why  
Fixed it so my veins are numb  
So I don't feel it when it comes  
Oh my God my mama cried  
She loves the heat but she hates that ride  
Fixed it so my brains are gum  
Trains never late cause it never runs  
O my God I'm gonna live
