Let Me Go To The Show

Poison

Mama, please let me go to the show
I dig those bad boys playing that rock and roll
No way, son, you can't go out tonight
So I got real upset, put up the biggest fightMama, let me go to the show
I dig those bad boys playing that rock and roll
Mama, let me go out tonight
Mama, please, before I lose my mindOut the window shimmy down the tree
I take a look around make sure no one's watching me
I steal the keys and take my old man's Chevrolet
I can hear my mama scream from ten miles awayMama, let me go to the show
I dig those bad boys playing that rock and roll
Mama, let me go out tonight
Mama, please, before I lose my mindRock and roll rodeo
Rock and roll rodeoMama, let me go to the show
I dig those bad boys playing that rock and roll
Mama, let me go out tonight
Mama, please, before I lose my mind
