

# Seven Nation Army

## Ben l'Oncle Soul

I'm gonna fight 'em off  
A seven nation army couldn't hold me back  
They're gonna rip it off  
Taking their time right behind my backAnd I'm talking to myself at night  
Because I can't forget  
Back and forth through my mind  
Behind a cigarette  
And the message coming from my eyes  
Says leave it alone  
Leave it alone (x3)Don't want to hear about it  
Every single one's got a story to tell  
Everyone knows about it  
From the Queen of England to the hounds of hellAnd if I catch it coming back my way  
I'm gonna serve it to you  
And that ain't what you want to hear  
But that's what I'll do  
And a feeling coming from my bones  
Says find a home  
Find a home (x3)
