

Any Old Time

Fats Domino

Any old time
You wanna come back home
Drop me a lie
An' I say no more you're wrong
You done me wrong
You left me all alone
But when you left me here
You only left the one who cares
You find me here
Till like the day you left me alone
Any old time
You wanna come back home

You find me here
Till like the day you left me alone
Any old time
You wanna come back home
Any old time
You wanna come back home
Drop me a lie
An' I say no more you're wrong
You done me wrong
You left me all alone
But when you left me here
You only left the one who cares
But you can find me here
Till like the day you left me alone
Any old time
You wanna come back home
