

# Chicken Bones

Gomez

Never really got you 'cause he's always on his own  
Never really got you because, ooh, you never loved him  
Better write a letter 'cause he's always on the phone  
Better write a letter 'cause, ooh, you never loved I'm enough You never loved him enough  
Never loved him enough  
Never loved him enough  
He knows that he's pathetic as he stares out the window Not peripatetic, he doesn't move a muscle  
"Drives an instamatic", says she tell him real slow  
He never really got it 'cause you never gave him enough Never given him enough  
Never given him enough  
Never given him enough There's no fun in walking wounded, he's never loved  
He wears a pained expression as he's takin' off your clothes  
It's only an impression of how you should have loved him  
Step into the gutter 'cause you find him so shallow He was the main attraction but turned back to yellow  
This wouldn't be the lyrics if this was a song  
You never will forget it 'cause, ooh, you never loved him enough  
No, you never loved him enough Never loved him enough  
Never loved him enough  
Never loved him enough
