

# This Is The Kitt

## Red Hot Chili Peppers

This is the kitt, I can't compare  
A delicate new arrival  
Check the commute I do declare  
Lets sing a new revival  
Chemical circus at the pub  
Mentally she's departed  
Cut me a check I'll cut your rug  
Later we'll get bombarded  
'Cause everybody knows  
The game is full of highs and lows  
Like your mother said  
Girl your father is dead  
Everybody knows  
That life is full of highs and lows  
Is there always red  
In your wedding bed  
Everybody knows  
Officer please I just got there  
Traveled from door to door  
Haven't you seen my girlfriend's hair  
What are we looking for  
'Cause everybody knows...  
This is the kitt I can't compare  
A delicate new arrival  
Check the commute I do declare  
I think we have our bible  
'Cause everybody knows...  
Take me to the shore  
Show me what it's for  
Is there always red  
In your wedding bed  
Everybody knows  
The game is full of cons and pros  
Like your mother said  
Girl your father's dead  
Everybody knows
