Play on Words

Criteria

we sit alone and talk our problems out
but instead we confused them
and gravity took it all
it used to be we had a grace all our own
and instead we abused it
and gravity took its tolli want to be the one who's profound
but i can't keep with your pacetotal lack of confidence displayed
and i don't think you asked for it
my complaint, my complaint
i still call you the one that got away
and to think i'm the one who let you go
my complaint, my complaint
never had a chance to knowsay what you want
but it's a
play on words
to say we're in love
it is a
trait i should have never picked up
but it's a bright way to attractla dah dah dah dah-dee-dah-dah
la dah dah dah dah-dee-dah-dah
la dah dah dah dah-dee-dah-dah
