

Medallions

Jeanne Newhall

Verse 1:

I miss you and I resist you and
time has drawn a still life.
Faded flowers and jealous hours and
I can't take this feeling.

Chorus:

And, I am blue.
Medallions will not do, for the loss of loving you.
Repentance at your gate.
My apologies too late.
Cannot wait to see you, I cannot wait to see you.

Verse 2:

Sweet memories cling,
my song won't sing
I'm beat and broken.
Fields I'm runnin' thru, can't catch you,
you're gone forever.

Chorus:

And, I am blue
Medallions will not do, for the loss of loving you.
Compassion at your gate.
Understanding comes too late.
Cannot wait to see you, cannot wait to see you.

Solo

Chorus:

And, I am blue
Medallions will not do, for the loss of loving you.
Compassion at your gate.
Understanding comes too late.
Cannot wait to see you, cannot wait to see you.
Cannot wait, cannot wait to see you.
