

Relapse

Little Birdy

live on the outside
i'll help you through your pain
if you help me through mine
never have i met
someone as insensitive as you i want to escape what you've done to my life
i love the way that you're always on my mind
it's ok, you're not a bad one you're sane
i can't help this pain that i feel relapse and soda
my head is not all that you want it to lay
existence is purpose
explain what my touch means to you if it does i want to escape what you've done to my life
i love the way that you're always on my mind
it's ok, you're not a bad one you're sane
i can't help this pain that i'm feeling
i can't help this pain that i'm feeling
i can't help this pain that i'm feeling When I saw you, I want to escape what you've done to my life
i love the way that you're always on my mind
it's ok, you're not a bad one you're sane
so how you love, it feels how you feel
