

# NEVER KNEW LOVE LIKE THIS BEFORE

GTS

I never knew love like this before  
Now I'm lonely never more  
Since you came into my life  
You are my lovelight, this I know  
And I'll never let you go  
You my all, you're part of me  
Once I was lost and now I'm found  
Then you turned my world around  
When I need you, I call your name  
'Cause I never knew love like this before, opened my eyes  
'Cause I never knew love like this before, what a surprise  
'Cause I never knew love like this before  
This feeling's so deep inside of me  
Such a tender fantasy  
You're the one I'm living for  
You are my sunlight and my rain  
And time could never change  
What we share forever more, ooh  
I never knew love like this before  
Now I'm lonely never more  
Since you came into my life  
'Cause I never knew love like this before, opened my eyes  
'Cause I never knew love like this before, what a surprise  
'Cause I never knew love like this before, inside of me  
I never knew love like this before, opened my eyes  
Never, never, never knew love like this  
Never, never, never knew love like this  
Never, never
