# Cut My Wings

## Seasick Steve

Cut my wings
Shot me down I cannot fly
Cut my wings
Shot me down I cannot flyWhen I lay my head down
On my bed [unverified] I sure do cryCap'n how long
Must I stand your evil ways?Cap'n how long
Must I stand you evil ways?
One day I get outta here
It's gonna be your very last dayCap'n how long
Must I stand you evil ways?
One day I get outta here
It's gonna be your very last day
