

# When You Go

## Avec Sans

When you leave, life is like a different story

When you leave, taking all my territory

When you go, when you go

When you go, when you go

When you go, when you go

When you go, when you go If I say,

If I'll say go I just wanna lay awake

Here in silence I make peace

With you

I just wanna lay awake

Watch the sky as the darkness breaks

With you

When you're here, love takes on a different glory

When you're here, safe inside my territory

Then you go, then you go

Then you go, then you go

Then you go, then you go

Then you go, then you go If I say,

If I'll say go

I just wanna lay awake

Here in silence I make peace

With you

I just wanna lay awake

Watch the sky as the darkness breaks

With you
