

These Arms

[Donavon Frankenreiter](#)

I hear the sound of your heart beating
Don't say a word, I know what you're feeling
Just hold me close, don't be afraid
These arms won't let your heart break
Just ask me girl, oh I surrender
I'll make love to you, so soft and tender
I promise you with every breath I take
These arms won't let your heart break
These eyes will worship and adore you
These hands will love you every day
Darlin' the only guarantee I can make
These arms won't let your heart break
Your wish is my command I'm right here for you
Just take my hand, I'll love you like you want me to
One thing for sure, make no mistakes

My arms won't let your heart break
These eyes will worship and adore you
These hands will love you every day
Darlin' the only guarantee I can make
These arms won't let your heart break
These eyes will worship and adore you
These hands will love you every day
Darlin' the only guarantee I can make
These arms won't let your heart break
These eyes will worship and adore you
These hands will love you every day
Darlin' the only guarantee I can make
These arms won't let your heart break
These arms won't let your heart break
