B.A.N.S

Sevyn Streeter

[Verse 1]:
I shoulda never offered it
But he made me feel like this could be forever
Never thought he could run off with it
But that don't make it no better
He used to hit me least 4 times a day
Then he got what he wanted
Caught me by surprise
I never saw it coming[Bridge]:
Wa-wa-wa-wa-walls build... down and up
There goes my pride
Bars shattered
Now I realize
I should've used protection
Instead of moving so fast
But I'm a sucker for affection
Shoulda never showed you that
And now I got myself to blame, why did I let you come in
I shouldna gave my heart away but I trusted you with it
[Hook]:
Niggas be on that bullshit
Havin' us lookin' foolish
Can't keep lettin'em do this
(Bitch ass niggas)
One minute call us baby
Next minute call us crazy
Niggas be on that bullshit
(Bitch ass niggas)[Verse 2]:
And you'll say... it's all in my head
It's all in my head
It's all in my head
So I ignore my intuition and believe every word that you said
[Bridge]:
Wa-wa-wa-wa-walls build... down and up
There goes my pride
Bars shattered
Now I realize
I shoulda used protection
Instead of moving so fast

But I'm a sucker for affection
Shoulda never showed you that
And now I got myself to blame, why did I let you come in
I shouldna gave my heart away but I trusted you with it[Hook]:
Niggas be on that bullshit
Havin' us lookin' foolish
Can't keep lettin'em do this
(Bitch ass niggas)
One minute call us baby
Next minute call us crazy
Niggas be on that bullshit
(Bitch ass niggas)[Verse 3]:
Niggas be on that bullshit
Actin' like they dont do shit
(do shit, do shit)
What the fuck? I look stupid
It's the way that you made me
And this the way you repay
Give you all of me, all of me
Now you see another pimp on yo lady
I feel...
Like you was just a waste of time forreal
(Yea, that's that true shit)
Oh, and I won't never come tumbling down
(Not never, again!)[Hook]:
I shoulda used protection
Instead of moving so fast
But I'm a sucker for affection
Shoulda never showed you that
And now I got myself to blame, why did I let you come in
I shouldna gave my heart away but I trusted you with it[Hook]:
Niggas be on that bullshit
Havin' us lookin' foolish
Can't keep lettin'em do this
(Bitch ass niggas)
One minute call us baby
Next minute call us crazy
Niggas be on that bullshit
(Bitch ass niggas)[Outro]:
Bitch ass niggas
Bitch ass niggas
Bitch ass niggas
(That true shit)
