

# B.A.N.S

## Sevyn Streeter

[Verse 1]:

I shoulda never offered it  
But he made me feel like this could be forever  
Never thought he could run off with it  
But that don't make it no better  
He used to hit me least 4 times a day  
Then he got what he wanted  
Caught me by surprise  
I never saw it coming[Bridge]:  
Wa-wa-wa-walls build... down and up  
There goes my pride  
Bars shattered  
Now I realize  
I should've used protection  
Instead of moving so fast  
But I'm a sucker for affection  
Shoulda never showed you that  
And now I got myself to blame, why did I let you come in  
I shouldna gave my heart away but I trusted you with it

[Hook]:

Niggas be on that bullshit  
Havin' us lookin' foolish  
Can't keep lettin'em do this  
(Bitch ass niggas)  
One minute call us baby  
Next minute call us crazy  
Niggas be on that bullshit  
(Bitch ass niggas)[Verse 2]:

And you'll say... it's all in my head  
It's all in my head  
It's all in my head

So I ignore my intuition and believe every word that you said

[Bridge]:

Wa-wa-wa-walls build... down and up  
There goes my pride  
Bars shattered  
Now I realize  
I shoulda used protection  
Instead of moving so fast

But I'm a sucker for affection  
Shoulda never showed you that  
And now I got myself to blame, why did I let you come in  
I shouldna gave my heart away but I trusted you with it[Hook]:  
Niggas be on that bullshit  
Havin' us lookin' foolish  
Can't keep lettin'em do this  
(Bitch ass niggas)  
One minute call us baby  
Next minute call us crazy  
Niggas be on that bullshit  
(Bitch ass niggas)[Verse 3]:  
Niggas be on that bullshit  
Actin' like they dont do shit  
(do shit, do shit)  
What the fuck? I look stupid  
It's the way that you made me  
And this the way you repay  
Give you all of me, all of me  
Now you see another pimp on yo lady  
I feel...  
Like you was just a waste of time forreal  
(Yea, that's that true shit)  
Oh, and I won't never come tumbling down  
(Not never, again!)[Hook]:  
I shoulda used protection  
Instead of moving so fast  
But I'm a sucker for affection  
Shoulda never showed you that  
And now I got myself to blame, why did I let you come in  
I shouldna gave my heart away but I trusted you with it[Hook]:  
Niggas be on that bullshit  
Havin' us lookin' foolish  
Can't keep lettin'em do this  
(Bitch ass niggas)  
One minute call us baby  
Next minute call us crazy  
Niggas be on that bullshit  
(Bitch ass niggas)[Outro]:  
Bitch ass niggas  
Bitch ass niggas  
Bitch ass niggas  
(That true shit)
