She's Amazing

Love and Theft

A chair on the porch,
The sun coming up
Warm on my face
I'm thanking God for my luck.She walks through the door
Wrapped up in a sheet,
Floating on air
An angel in her bare feet.
Leaving me speechless.She's the light at dawn,
She's the cloud I'm on,
She's amazing.
Mona Lisa's smile,
She's so innocent and wild.
She's amazing, yeah
She's amazing.Her eyes say it all,
They're something to see
I can't stop staring
At her starting back at me.The world doesn't matter,
Nothing else matters.She's the light at dawn,
She's the cloud I'm on,
She's amazing.
Mona Lisa's smile,
She's so innocent and wild,
She's amazing, yeah
She's amazing,
She's amazing.Amazing,
So amazing.
She's the light at dawn,
She's the cloud I'm on,
She's amazing.
Mona Lisa's smile,
She's so innocent and wild,
She's amazing, yeah
She's amazing,
She's amazing,
She's amazing.
