

The Grand Illusion

[Styx](#)

Welcome to the Grand illusion
Come on in and see what's happening
Pay the price, get your tickets for the show
The stage is set, the band starts playing
Suddenly your heart is pounding
Wishing secretly you were a star But don't be fooled by the radio
The TV or the magazines
They show you photographs of how your life should be
But they're just someone else's fantasy So if you think your life is complete confusion
Because you never win the game
Just remember that it's a grand illusion
And deep inside we're all the same
We're all the same So if you think your life is complete confusion
Because your neighbors got it made
Just remember that it's a grand illusion
And deep inside we're all the same
