

Down By the Seaside

Led Zeppelin

Down by the seaside. See the boats go sailin'
Can the people hear, What the little fish are sayin' Oh, oh, the people turned away. Oh, the people turned
away Down in the city streets, see all the folk go racin', racin'
No time left, to pass the time of day The people turned away. The people turned away
So far away, so far away See how they run, see how they run, see how they run, see how they run. Do you still do
the twist
Do you find you remember things that well
I wanna tell you... Some go twistin' every day
though sometimes it's awful hard to tell Out in the country, hear the people singin'
Singin' 'bout their progress, knowin' where they're goin' Oh, oh, oh, oh, the people turned away
Yes, the people turned away Sing loud for the sunshine, pray hard for the rain
And show your love for Lady Nature. And she will come back again The people turned away
The people turned away
