

# When You're Gone

[Bryan Adams](#)

When you're gone I've been wanderin' around the house all night  
Wondering what the hell to do  
Yeah, I'm trying to concentrate but all I can think of is you Well the phone don't ring 'coz my friends ain't home  
I'm tired of being all alone  
Got the TV on 'coz the radio's playing songs that remind me of you Baby when you're gone I realize I'm in love  
The days go on and on and the nights just seem so long  
Even food don't taste that good, drink ain't doing what it should  
Things just feel so wrong baby when you're gone Yeah, I've been driving up and down these streets  
Trying to find somewhere to go  
Ya I'm lookin' for a familiar face but there's no one I know This is torture, this is pain  
It feels like I'm gonna go insane  
I hope you're coming back real soon 'coz I don't know what to do Baby when you're gone I realize I'm in love  
The days go on and on and the nights just seem so long  
Even food don't taste that good, drink ain't doing what it should  
Things just feel so wrong baby when you're gone Baby when you're gone I realize I'm in love  
The days go on and on and the nights seem so long  
Even food don't taste so good, drink ain't doing what it should  
Things just feel so wrong baby when you're gone Baby when you're gone  
Baby when you're gone
