

# Cameo Lover (Mic Newman Remix)

## Kimbra

This is nonstop baby  
You've got me going crazy  
You're heavier than I knew  
But I don't want no other  
You're my cameo love  
Only here for a moment or two  
You stay inside that bubble  
With all of your trouble  
In your black hole  
You turn from the skies  
You dance with your demise

I'll be here when you come homeWe've all gotta break down  
Let me come and break down, there with you'Cause everyday's like talking in your sleep

Love is like a silhouette in dreams  
Open up your heart, open up your heart  
Open up your heart and let me pull you out  
Everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart, open up your heart

Open up your heart and let me pull you out of hereI've got high hopes baby  
But all you do is take me down to depths that I never knew  
You've got two arms baby  
They're all tangled in ladies of the black skies posing blue

Let go of your mother  
And turn to your brother  
Not a long gone lover's noose  
Sometimes baby the hardest part of breaking  
Is leaving pieces behind youOh we've all gotta get by

Let me come and hold you high, with you'Cause everyday's like talking in your sleep

Love is like a silhouette in dreams  
Open up your heart, open up your heart  
Open up your heart and let me pull you out  
Everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart, open up your heart

Open up your heart and let me pull you out of hereOpen up your heart to me  
The sun won't shine if you're not looking  
Baby love is all that you needWhen everyday's like talking in your sleep  
Love is like a silhouette in dreams

Open up your heart, open, open, open  
Everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart, open up your heart  
Open up your heart and let me pull you out  
Open up your heart, open up your heart  
Open up your heart, open up your heart  
Open up your heart, open up your heart
