

Say Love

JoJo

[Jojo]

This Is Us At Our Best And Our Worse
But When We Speak Does it Feel Unrehearsed
Because Where I Want To Be Is Far Apart
From Where We Are..
From Where We Are
And I Thought I Found The Place Where We Could Start
Talk From The Heart..
Talk From The HeartBut You Just Say I'm Perfect
Say I'm Pretty
Say I'm Worth It
But If You Really Care For Me
SAY LOVE
I Want You To Say Love..
I Need You To Say Love
When I Say Love You
You Just Say Me Too
But I Want You To Say LoveIt Feels Like We Can't Get Out Of First
But When We Do, Its Like We'Re Stuck In Reverse
Cause Where I Want To Be Is Far Apart
From Where We Are..
From Where We Are
And I Thought I Found The Place Where We Could Start
Talk From The Heart..
Talk From The HeartBut You Just Say I'm Perfect
Say I'm Pretty
Say I'm Worth It
But If You Really Care For Me
SAY LOVE
I Want You To Say Love..
I Need You To Say Love
When I Say Love You
You Just Say Me Too
But I Want You To Say LoveOh'sBut You Just Say I'm Perfect
Say I'm Pretty
Say I'm Worth It
But If You Really Care For Me
SAY LOVE
I Want You To Say Love..

I Need You To Say Love
When I Say Love You
You Just Say Me Too
But I Want You To Say Love
