The Cops!

That Handsome Devil

L-Late at night when youâ€™re fast asleep
The beast in the badge with the jagged teeth
Drag you to a place you ainâ€™t asked to be
Hassling and harassing me
Over fences and the benches through the slums
Jail ainâ€™t fun for the young
Past the drunks and the punks and the bongs, you better run
You better drop your things and bounce
(Itâ€™s the cops!)
You better get gone or get out
(Itâ€™s the cops!)
Theyâ€™ll run up in your house
(Itâ€™s the cops, itâ€™s the cops!)
You better drop that shit and go
(Itâ€™s the cops!)
They wanna know everything you know
(Itâ€™s the cops!)
Or they wonâ€™t let you go home
(Itâ€™s the cops, itâ€™s the cops!)

And the sirens go
oooh-ooh oooh oooh, oooh-ooh oooh oooh
Oooooh ooooooh
I hear the sirens go
oooh-ooh oooh oooh, oooh-ooh oooh oooh
Oooooh ooooooh

Nobody gonna hold me down, nobody gonna hold me down
Ainâ€™t no way, ainâ€™t no how
Nobody gonna hold me down
X2

Banging on the doors at night
4 in the morning looking for a fight
Drag you across the floor horrified
Donâ€™t go towards the lights
Over cars through the yards where youâ€™re from
Cause the cops are gonna come

You better run, you better run

You better drop your things and bounce
(Itâ€™s the cops!)
You better get gone or get out
(Itâ€™s the cops!)
Theyâ€™ll run up in your house
(Itâ€™s the cops, itâ€™s the cops!)
You better drop that shit and go
(Itâ€™s the cops!)
They wanna know everything you know
(Itâ€™s the cops!)
Or they wonâ€™t let you go home
(Itâ€™s the cops, itâ€™s the cops!)

And the sirens go
oooh-ooh oooh oooh, oooh-ooh oooh oooh
Oooooh ooooooh
I hear the sirens go
oooh-ooh oooh oooh, oooh-ooh oooh oooh
Oooooh ooooooh

Somewhere in the holding cell it dawns on you
Your freedom donâ€™t belong to you
Somewhere in the city jail it dawns on you
Your freedom donâ€™t belong to you
Somewhere while youâ€™re sitting there it dawns on you
Your freedom donâ€™t belong to you
Somewhere in the county jail
Your freedom donâ€™t belong to you
