Feels Right

Mud Hutters

I?ll never stop loving you
Until this life is over, oh
I?ll never stop needing you
Always now and forever
See 'cos it feels, oh, so right, when I?m with you
It feels like I can?t live without you
I just can?t deny
My future lies with you, oh
I?ve had my doubts about us
Will we make it together?
But now I?ve spent time with you
I ain?t seen nothing better
So whenever you
(Call me)
I?ll come running, baby
And whenever you
(Leave me)
I?ll be there in a hurry
'Cos it feels, oh, so right, when I?m with you
It feels like I can?t live without you
I just can?t deny
My future lies with you, yeah
(It feels right when I?m with you)
Oh, I?ll never leave you
I?ll never leave you

I, I?ll never leave you, oh
You?re all I need in this world
You?re all I need in this world
Listen, so whenever you
(Call me)
I?ll come running, baby
And whenever you
(Need me)
I?ll be there in a hurry
'Cos it feels right whenever I?m with you
It feels like I can?t live without you
I just can?t deny
My future lies with you

With you, with you, with you, with you, yeah
Whenever I?m with you, it feels right
Can?t live without you
I just can?t, can't deny, yeah
Oh, say it again
It feels right when I?m with you
You were there when I was broken
My heart is always open to you
When I?m with you, oh, said it feels right
Feels right, feels right, yeah
[Incomprehensible]
