Put Your Hands Up

Mr Flave

I'm shaking slowly to the beat
I like rolling on my feet
So people listen to the sound
Round round round round round
Put your hands up

Oh, yeah put your hands up
Yeah yeah

My satisfacion is complete
I keep on rolling on my feet
Just put your hands up to the sound
And turn around round round

Put your hands up

1, 2, 3, 4... 1, 2, 3, 4
oh, yeah ah ah
yeah yeah

I like shaking all my body
Down to the beat
Relax my mind rolling down
On my feet
People put your hands up
When you hear the sound
People scream scream
Put your hands up
