

Just Once - New Version

James Ingram

I did my best
But I guess my best wasn't good enough
Cause here we are back where we were before
Seems nothin' ever changes We're back to being strangers
Wondering if we ought to stay
Or head on out the door
Just once...
Can't we figure out what we keep doin' wrong
Why we never last for very long
What are we doin' wrong
Just once...
Can't we find a way to finally make it right To make the magic last for more than just one night
If we could just get to it
I know we could break through it
(Hmm hmmm)
I gave my all But I think my all may have been too much
Cause Lord knows we're not gettin' anywhere
Seems we're always blowin'
Whatever we've got goin' And it seems at times with all we've got
We haven't got a prayer
Just once...
Can't we figure out what we keep doin' wrong
Why the good times never last for long
Where are we goin' wrong
Just once...
Can't we find a way to finally make it right
To make the magic last for more than just one night
I know we could break through it
If we could just get to it
Just once
I want to understand...
Why it always comes back to goodbye
Why can't we get ourselves in hand
And admit to one another
We're no good without each other
Take the best and make it better
Find a way to stay together
Just once...
Can't we find a way to finally make it right (Whoa)

Make the magic last for more than just one night

I know we could break through it

If we could just get to it

Just Once...

Whoa oh, we can get to it

Just Once...
