

# Knives

## Therapy?

My girlfriend says  
That I need help  
My boyfriend says  
I'd be better off dead I'm gonna get drunk  
Come round and fuck you up  
I'm gonna get drunk  
Come round and fuck you up And you can't help my life  
But you can hide the knives My girlfriend says  
That I'm confused  
My boyfriend says  
That I'm bad news All people are shit  
Bad trip tattooed on my brain  
All people are shit  
Bad trip tattooed on my brain And you can't help my life  
But you can hide I wanna crawl up inside you and die  
I wanna crawl up inside you and die  
I wanna crawl up inside you and die  
I wanna crawl up inside you and die And you can't help my life  
But you can hide the knives  
And you can't help my life  
But you can hide the knives
