Compass

Axs

Yea it's been a bumpy road
Roller coasters high and low
Fill the tank and drive the car
Pedal fast, pedal hard
You won't have to go that farYou want to give up cause it's dark
We're really not that far apartSo let your heart sweetheart be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done you can walk instead of run
Cause no matter what you'll never be alone
Never be alone
Never be aloneForgot directions on your way
Don't close your eyes don't be afraid
We might be crazy late at night
I can't wait til you arrive
Follow stars you'll be alrightYou want to give up cause it's dark
We're really not that far apartSo let your heart sweetheart be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done you can walk instead of run
Cause no matter what you'll never be alone
Never be alone
Never be aloneYou want to give up cause it's dark
We're really not that far apartSo let your heart sweetheart be your compass when you're lost
And you should follow it wherever it may go
When it's all said and done you can walk instead of run
Cause no matter what you'll never be alone
Never be alone
Never be aloneWhen it's all said and done you can walk instead of run
Cause no matter what you'll never be alone
