

# What Else Is There?

## RÅyksopp

It was me on that road  
But you couldn't see me  
Too many lights out, but nowhere near here

It was me on that road  
Still you couldn't see me  
And then flashlights and explosions

Roads ends getting nearer  
We cover distance but not together  
I am the storm and I am the wonder  
And the flashlights, nightmares  
And sudden explosions

I don't know what more to ask for  
I was given just one wish

It's about you and the sun  
A morning run  
The story of my maker  
What have I and what I ache for

I've got a golden ear  
I cut and I spear  
And what else is there  
Roads and getting nearer  
We cover distance still not together

If I am the storm if I am the wonder  
Will I have flashlights, nightmares  
And sudden explosions

There is no room where I can go and  
You've got secrets too

I don't know what more to ask for  
I was given just one wish
