

Pool Mashup: Just the Way You Are / Just a Dream

The Barden Bellas

Oh, her eyes, her eyes make the stars look like they're not shining

Her hair, her hair falls perfectly without her tryin'

She's so beautiful

And I tell her everyday Uh, Uh, I was thinkin' bout her, thinkin' bout me, thinkin' bout us, who we gonna be

(I know, I know, when I compliment her she won't believe me)

Opened my eyes, and it was only just a dream

(It's so, it's so, sad to think that she can't see what I see)

(But every time she asks me "do I look okay, you know I'll say)

It was only just a dream When I see your face

(So I travelled back down that road will she come back, no one knows)

There's not a thing that I would change, Cause you're amazing, just the way you are

(I realized, it was only just a dream, it was only just a dream) When I see your face

(So I travelled back down that road will she come back, no one knows)

There's not a thing that I would change, Cause you're amazing, just the way you are

(I realized, it was only just a dream, it was only just a dream)
