Harm

Chimp Change

So now I wanna punch the Earth
Like some retarded savage
No it doesn?t make me proud to act like such a fuckin' clown
But you seem to feed my inner asshole
Watch him grow up nice and strong
I?ve tried to be a nice guy, someone you could get along with
But I guess I have a limit
Didn?t know I even had it
But I?m sick of doing back-flips into endless pools of bullshit
Don?t bother calling me up
I?ll smash my phone against the wall
I know I?m drunk and useless but I don?t deserve to fall
at all

Well it took almost forever but it?s pretty plain to see
There?s nothing here left for me

Well we don?t have tons of hours
on this dirty little planet
And a million songs and stories tell us to make the best of it
But I look around and all I see
Is everyone just settling
It?s not like I believe in fate or some kind of a destiny
But I?ve worked my fucking ass off
And ended up back at square one
Tried to be the perfect human, forced myself to be the one
But it?s so fuckin' pointless I?m still selfish in the end
So I?ll drink some beer, smash some power chords and see what happens next

Well it took almost forever but it?s pretty plain to see
There?s nothing here left for me
