

Shatter

Meredith Brooks

Prick of a pin
No blood on me
I've been tested total wasted in too deep
To the zone
I retreat
What doesn't kill you makes you strong eventually Lay to my skin
Blurring the edge
Seven doves are waiting for me up ahead
I just breathe in
I just breathe out
I've taken every hairpin' curve by now I may crack but I'll never shatter
I may crack but it doesn't matter
I may crack but I'll never shatter
I may crack Promise the world
Dropped in a pool
Was it fun did you enjoy acting so cruel
Well here's the thing
Still have my head
I stumble hard but I'm not sleeping in your bed Saved by the sun
No shame on me
Come out screaming it's the only time we're free
I just breathe out
I just breathe in
I ride the wave until I come again I may crack but I'll never shatter
I may crack but it doesn't matter
I may crack but I'll never shatter
I may crack but I'll never shatter 'Cause I still have a secret
In the dark I keep it close
I still have a secret no one knows I may crack, but I'll never shatter
Just erased it over and over
I may crack, but it doesn't matter
In the darkness, I'll never shatter Shake down
Twisted in time
It's amusing that I'm feelin' fine
I just breathe in
I just breathe out
I may crack but I'll never shatter 'Cause I still have a secret
In the dark I keep it close
I still have a secret no one knows

In the dark I keep it close I may crack but I'll never shatter
I may crack but I'll never shatter
I may crack But I'll never shatter
I may crack
