Shatter

Meredith Brooks

Prick of a pin

No blood on me

I've been tested total wasted in too deep

To the zone

I retreat

What doesn't kill you makes you strong eventuallyLay to my skin

Blurring the edge

Seven doves are waiting for me up ahead

I just breathe in

I just breathe out

I've taken every hairpin' curve by nowI may crack but I'll never shatter

I may crack but it doesn't matter

I may crack but I'll never shatter

I may crackPromise the world

Dropped in a pool

Was it fun did you enjoy acting so cruel

Well here's the thing

Still have my head

I stumble hard but I'm not sleeping in your bedSaved by the sun

No shame on me

Come out screaming it's the only time we're free

I just breathe out

I just breathe in

I ride the wave until I come againI may crack but I'll never shatter

I may crack but it doesn't matter

I may crack but I'll never shatter

I may crack but I'll never shatter'Cause I still have a secret

In the dark I keep it close

I still have a secret no one knowsI may crack, but I'll never shatter

Just erased it over and over

I may crack, but it doesn't matter

In the darkness, I'll never shatterShake down

Twisted in time

It's amusing that I'm feelin' fine

I just breathe in

I just breathe out

I may crack but I'll never shatter'Cause I still have a secret

In the dark I keep it close

I still have a secret no one knows

In the dark I keep it closeI may crack but I'll never shatter
I may crack but I'll never shatter
I may crack But I'll never shatter
I may crack
