

# One in the Same

## One Man Army

What's Out There For The Kids Today  
A Set Of Rules For The Majority  
They'll Roll You Off The Assembly Line  
Stamp You Number Fifty-Nine We're One One In The Same One In The Same As You  
One In The Same The Same As You  
We're One One In The Same One In The Same As You  
One In The Same The Same As You They Say Son If You Want To Succeed  
Join The Ranks With Your College Degree  
Success Isn't All It's Said To Be  
Your Worth Makes Up Our Inequality  
Who Said A Roof Aint Good Enough  
Open Up Your Eyes Call Their Bluff  
When You're Gone And In Your Plot  
They're Lining Up To Take Your Spot We're One One In The Same One In The Same As You  
One In The Same The Same As You  
We're One One In The Same One In The Same As You  
One In The Same The Same As You
