

Hey Maria

Klangkarussell

Hey Maria! I know you stay by me, yeah
You are my melody, yeah
My only perfect piece, yeah
Hey Maria! I know you oh so well now
Better than I know myself
Our two hearts play like bells, yeah
Hey Maria! All these years go by
But you roll by my side,
Hey Maria
Go ahead, run that line.
You know I got you, yeah
Hey Maria! All these years go by
But you roll by my side
Hey Maria
Go ahead, run that line
You know I got you, yeah
Hey Maria! Nanana nanana
Hey Maria
Nanana nanana
Hey Maria! I feel you deep within, yeah
Light up beneath my skin where
I end where you begin, yeah yeah
You lay my soul to rest now
I'm home I'm whole, I'm blessed
No pressure, no gold, no stress, no no
No no(3x)
All these years go by
You roll by my side
Go ahead, roll that line
You know I got you, yeah
Hey Maria! Na na na na na Hey Maria
Na na na na na Hey Maria
Na na na na na Hey Maria
Na na na na na Maria hey(2x)
All these years go by
You roll by my side
Go ahead, roll that line
You know I got you, yeah
