

My Hotel Room

Kele

Come closer,
There ain't no other place to be
You can play it anyway you feel,
But I've come tight
You'll see!
Come, come closer
There ain't no other boys than me
How you can you take it away from me?
Did I say you wrong?
Did I touch you wrong?
See, my hotel room (my hotel room)
It's not too far (It's not too far)
We can talk for hours, (we can talk for hours)
I'll show you stars (I'll show you stars)
My hotel room (my hotel room)
It's not too far (It's not too far)
We can talk for hours, (talk for hours)
We can, we can (ha ha)
You know that I'm telling these lies of me
I'm tired on my own
I'll be back, don't mind
But I don't usually do this, no
If you want I'll go, if you want I'll stay
Must I really tell you all?!
That I'm falling, because I'm falling
See, my hotel room (my hotel room)
It's not too far (It's not too far)
We can talk for hours, (we can talk for hours)
I'll show you stars (I'll show you stars)
My hotel room (my hotel room)
It's not too far (It's not too far)
We can talk for hours, (talk for hours)
Why don't you? why don't you?
Why don't you come closer?
