

Tekkno Scene
 And I was crawlin' around
 In the mad
 Tekkno Scene
 And I was crawlin' around
 In the mad
 Tekkno Scene Said like a busy bee
 From bumbalee
 Will suck
 This juice
 Hunter dragon jump up
 And they fill the youth
 Youth, they are drippin' from the clubs
 They are!
 Drippin' after Drippin'
 Damn you liquid linga ya! Kakashi Sensei is what them all would have to
 If not me then violent type of A-K
 I'm okay just dont touch my hair
 A place called everywhere
 Erehwyreve (Everywhere backwards)
 1:45 is practice
 Survival tactics
 Best to defeat it
 Dallas Mavericks
 They draw through the sell out
 Never saw them knocking
 I prefer a pumpo
 We can get it poppin'
 Poppin'
 That was for the dancers
 Not to everybody
 Every person has an answer so when they ask if your cousin with a black person too?
 Tell em' fuck you
 1, 2, 3, 4, 6, 7 hands up in the air
 Skipping 5, 0 'cause nobody really cares
 The tekkno thing is a foreign thing
 I must be in the past
 Bling bling
 And I was crawlin' around
 In the mad
 Tekkno Scene
 And I was crawlin' around
 In the mad
 Tekkno Scene
 And I was crawlin' around

In the mad
Tekkno Scene
And I was crawlin' around
In the mad
Tekkno Scene
And I was crawlin' around
In the mad
Tekkno Scene
And I was crawlin' around
In the mad
Tekkno Scene
And I was crawlin' around
In the mad
Tekkno Scene
And I was crawlin' around
In the mad
Tekkno Scene
