Mr. Sinister

Powerwolf

You got your hands to raise your fist
See the laughter from its raise
Can you resist me little sister
Can you resist the devil's raise
And whatever God may tell you
Every soul would have its praise
One day you'll come to sell me yours my dear
And the time has come to usMr sinister, Mr sinister Mr sinister
AlrightCome hear the whisper from the sinner
From the son and only ghost
and devouring love in heaven
In the end you'll pray the ghost
And wherever you will run to
And wherever you may hide
They will be always stay, my friend
From the evil by it selfMr sinister, Mr sinister, Mr sinisterIt can be nowhere
The time will say you what I know
The time is over
And now you wait love in your doorCome hear the whisper, Mr sinister, Mr sinisterMr sinister, Mr sinister, Mr sinister
Alright
