Foxy & Free

Ace Frehley

You're looking good, you get me so hot
Know you can satisfy my needs
Like taking candy from a baby
Make me forget about realityFoxy & free
You take my breath away (breath away)
So foxyYou've got the power and the passion
You make me lose my sense of pride
Watchin' you and you're on fire
I know what you're thinking, I can read your mindFoxy & free
You take my breath away (breath away)
So sexy, but to me
You take my breath away (breath away)
Now foxy, listen to thisFoxy (foxy)
I know you drive me wild
Lookin' at you voodoo child
Alright, baby
Now here it comesFire and ice, black leather, satin
You've got the moves I've always craved
You've got a look that drives me crazy
You're hot enough to raise the dead from the graveFoxy & free
You take my breath away (breath away)
So sexy, but to me
You take my breath away (breath away)Foxy & free
You take my breath away (breath away)
So sexy, but to me
You take my breath away (breath away)Foxy
