God

Seven Nations

God
(Kirk McLeod)No I never drink my poison
No I never let you see
No I never drink my poison
Unless it's good for me
No I never ponder confusion no
Or sit around and wait to see
Or watch the outcome of a certain situation
I had in mind for eternityYeah it's up to me
What will be is up to me
No I never make a choice unless it's up to me
And I never give a reasonNo I never sink my teeth in
No I never take a bite
No I never sink my teeth in unless I feel the right
No I never play the jokerman
Sit around and wait to see
Or watch the outcome of a certain situation
I had in mind for eternityYeah it's up to me
What will be is up to me
No I never make a choice unless it's got to be
And I never give a reasonIt's up to me; It's up to me
What will be is up to me
No I never make a choice unless it's got to be
And I never give a reason
