

# Doomed

## Bring Me the Horizon

Cough my lungs out, come lock me up  
Just pull the plug yeah, I've had enough  
Tear me to pieces, sell me for parts  
You're all vampires here You can have my heart  
You can have my heart  
You can have my heart The walls are [?], I [?] ghosts  
No hint of movement, no sign of pulse  
Only an echo, just skin and bones  
Then kick the chair but we, we [?] You can have my heart  
You can have my heart  
You can have my heart So come rain on my parade  
Cause I want to feel it  
Come show me over the edge  
Cause my head is in overdrive  
I'm sorry but it's too late  
And it's not worth saving  
So come rain on my parade  
I think we're doomed  
I think we're doomed  
And there is no way back You must of made some kind of mistake  
I asked for death but instead I'm awake  
The devil told me "No room for cheats"  
I thought I told my soul  
But [?][?] I'm coming home  
It's getting darker but I carry on  
The sun won't shine here, it never did  
And when it rains, it fucking pours  
But I think I like it  
And you know that I'm love with the [?]  
I think I like it So come rain on my parade  
Cause I want to feel it  
Come show me over the edge  
Cause my head is in overdrive  
I'm sorry but it's too late  
And it's not worth saving  
So come rain on my parade  
I think we're doomed  
I think we're doomed  
And there is no way back I think we're doomed

I think we're doomed  
And there is no way back  
So come rain on my parade  
Cause I want to feel it  
Come show me over the edge  
Cause my head is in overdrive  
I'm sorry but it's too late  
And it's not worth saving  
So come rain on my parade  
I think we're doomed  
I think we're doomed  
And there is no way back
