

One Step

Dead Letter Circus

I hate when you come around
I hate what I've become now
I hate that we compromised
Just to grow closer
Say that you're gonna go
See I can't take it anymore
I just can't find a way
I won't lie One step away from here
and just a moment to go Is it ok if I close my eyes
As we go further
I want escape from the compromise
As we come closer
Say that you're gonna go
See I can't take it anymore
This is my escape
One more lie One step away from here
and just a moment to go It's just a moment
One step away... Just can't find a way
