

# Do You Believe In Magic

Randy VanWarmer

Do you believe in magic, in a young girl's heart?  
How the music can free her whenever it starts  
And it's magic if the music is groovy  
It makes you feel happy like an old-time movie  
I'll tell you about the magic and it'll free your soul  
But it's like trying to tell a stranger 'bout a rock and roll  
If you believe in magic, don't bother to choose  
If it's jug band music or rhythm and blues  
Just go and listen it'll start with a smile  
It won't wipe off your face no matter how hard you try  
Your feet start tapping and you can't seem to find  
How you got there, so just blow your mind  
If you believe in magic, come along with me  
We'll dance until morning 'til there's just you and me  
And maybe, if the music is right  
I'll meet you tomorrow, sort of late at night  
And we'll go dancing, baby, then you'll see  
How the magic's in the music and the music's in me, yeah  
Yeah, do you believe in magic?  
Yeah, believe in the magic of a young girl's soul  
Believe in the magic of rock and roll  
Believe in the magic that can set you free  
Ohh, talking 'bout magic  
Do you believe like I believe? Do you believe in magic?  
Do you believe like I believe? Do you believe in magic?  
Do you believe like I believe? Do you believe in magic?
