Breathe On Me

Jennifer Knapp

No temptation seize a man that he can't overcome
Who am I to be fallen?
Crack your back on a slab of wood
Come freedom, nail it down
I come crawling, I come crawlingCome trickle down and save the world
Two hands that I can't see
Come breathe, come breathe
Come breathe on me
Split-rib water, blood and bone
Come now, come calvary
Come breathe, come breathe on meTestimony come now quickly, whisper in my ear
Celebration
Peace at last not far away, empty sheet a borrowed grave
Salvation
Come freedom, come
Come freedom, comeCome trickle down and save the world
Two hands that I can't see
Come breathe, come breathe
Come breathe on me
Split-rib water, blood and bone
Come now, come calvary
Come breathe, come breathe on meCome freedom, come
Come freedom, come
Come freedom, comeCome trickle down and save the world
Two hands that I can't see
Come breathe, come breathe
Come breathe on me
Split-rib water, blood and bone
Come now, come calvary
Come breathe, come breathe on me
Come breathe, come breathe on me
Come breathe, come breathe on me
