

Love Machine (Live At The Local In Birmingham)

Girls Aloud

Ladies your damn right
You can't read a man's mind
We're living in two tribes
And heading for war
Well nobody's perfect
We all gotta work it
Cause fellas we're worth it
So don't break the law Your calls late a big mistake
You gotta hang about in limbo for as long as I take
Next time, read my mind
And I'll be good to you
We're gift-wrapped, kitty-cats
We're only turning into tigers when we gotta fight back
Let go, Eskimo, out into the blue Come take my hand, understand,
That you can, you're my man,
And I need you tonight Come make my dreams,
Honey hard as it seems,
Loving me is as easy as pie I'm just a love machine
Feeding my fantasy
Give me a kiss or three
And I'm fine
I need a squeeze a day
Instead of this negligee
What will the neighbors say?
This time I've been going crazy while you sleep
Searching for a language that the two of us can speak
Mr. Prehistoric make your wheel
And I'll breathe underwater
'cause I like the way it feels Your calls late a big mistake
You gotta hang around in limbo for as long as I take
Next time, read my mind
And I'll be good to you
We're gift-wrapped, kitty-cats
We're only turning into tigers when we gotta fight back
Let go, Eskimo, out into the blue Come take my hand,
Understand, that you can,
You're my man, and I need you tonight Come make my dreams,
Honey hard as it seems,
Loving me is as easy as pie I'm just a love machine

Feeding my fantasy
Give me a kiss or three
And I'm fine
I need a squeeze a day
Instead of this negligee
What will the neighbors say?
This time Oh, it's very new,
Can anybody tell me what to do?
Oh, this feeling's very strange,
Can anybody tell me what's your game?
Oh, a little education
Oh, to give you motivation
Oh, to turn the situation, round Oh, 'cause I don't want to change ya
Oh, making you a stranger
Oh, I'll only be your angel, aloud I'm just a love machine
(oh, a little motivation, oh)
I'm just a love machine
(oh, a little motivation, oh)
